

UNIQUE IDENTIFICATION AUTHORITY OF INDIA

INTERNSHIP SCHEME :2022

1. PURPOSE:

An internship is an opportunity for a student to secure first hand and practical work experience under the guidance of a qualified and experienced Mentor. It also aims at active participation in the learning process through experimentation and putting into practice the knowledge acquired in the classrooms. These “Interns” shall be given adequate exposure to various Technology tracks and other units within UIDAI Headquarters, Technology Centre and Regional offices and would be expected to work in the field of application development, legal domains (like cyber laws/IT act) & general management. For the “Interns” the exposure to the functioning of the UIDAI & the technologies applied shall be an add-on furthering their future career prospects in niche technology, legal domains, management and many other areas as the case may be.

2. ABOUT UIDAI:

- 2.1 The Unique Identification Authority of India (UIDAI) is a statutory authority established under the provisions of the Aadhaar (Targeted Delivery of Financial and Other Subsidies, Benefits and Services) Act, 2016 (“Aadhaar Act 2016”) on 12 July 2016 by the Government of India, under the Ministry of Electronics and Information Technology (MeitY). The Aadhaar Act, 2016 has been amended by the Aadhaar and Other Laws (Amendment) Act, 2019 (14 of 2019) w.e.f. 25.07.2019.
- 2.2 UIDAI was created to issue Unique Identification numbers (UID), named as "Aadhaar", to all residents of India. The UID had to be (a) robust enough to eliminate duplicate and fake identities, and (b) verifiable and authenticable in an easy, cost-effective way. UIDAI has issued 131.68 crore Aadhaar numbers to the residents of India as on 31st March 2022.
- 2.3 Under the Aadhaar Act 2016, UIDAI is responsible for Aadhaar enrolment and authentication, including operation and management of all stages of Aadhaar life cycle, developing the policy, procedure, and system for issuing Aadhaar numbers to individuals and perform authentication and the security of identity information and authentication records of individuals.

3. OBJECTIVE:

- 3.1 To allow young academic talent to be associated with the UIDAI’s work for mutual benefit.

3.2 The “Interns” shall have an opportunity to know about the UIDAI functioning. It will enable UIDAI to interact with young scholars and to get fresh ideas and study/research support from the field of academics. At the same time, it will provide an opportunity to young scholars to contribute in the UIDAI work and have an insight into the related technical domains, management fields or related legal aspects.
